

CRETA GRAND

Step it up.

The popular CRETA takes you a step higher with CRETA GRAND to give you extra passenger and cargo carrying capability, added safety features, and more of everything you want and need in a subcompact crossover. Designed to exceed all expectations, CRETA GRAND offers a surprisingly roomy and well-appointed cabin plus a choice of advanced power trains that deliver outstanding pickup performance with impressive fuel economy.

Radiating supreme confidence.

Modern, sporty, and masculine—it's just my style, it's in perfect tune with my sensibilities, and it fits in anywhere. From any angle, CRETA GRAND projects supreme confidence and authority. Your fascination only grows as you move in closer to examine the details: The LED lighting, the strikingly-designed diamond-cut alloy wheels, and the catchy-looking radiator grille. But the real centre of attention and even greater delights await you inside.

Signature cascading grille with dark chrome finish

LED headlamps with LED DRLs

18 diamond-cut alloy wheels

1x10 TFT LCD cluster

A touchscreen

Pure delight.

CRETA GRAND delivers on its promise with a grand-sized cabin that is not only bigger but smarter. You'll discover thoughtful design touches and experience pure joy in every detail. From the innovative mechanisms that simplify seat adjustment to the abundance of cabin space, CRETA GRAND is designed to make a grand impression. The two-tone interior color scheme and perforated leather seats (optional) create a luxurious atmosphere.

Versatile storage space

The large luggage space will fit just about anything. And if it doesn't fit, you can easily triple the storage space by folding down the 2nd-row and 1st-row backrests—it's as easy as 1-2-1. Now that's versatile!

2nd-row console box (7-seater)

The highly versatile center console box serves both as a padded armrest, a handy storage bin and comes with a wireless phone charger and built-in dual cupholders.

2nd row seat folding system with 1st row seats

Just touch the button to move the 2nd-row seats to and fro, or fold down the backrests to provide 2nd-row passengers with easier entry and egress.

Flex that muscle.

Mostly you go with the flow, but sometimes you have to make a move and assert yourself. CRETA GRAND's advanced powertrains deliver all the power you need for effortless acceleration and passing on the highway. The GY⁺ gasoline engine is made of weight-saving aluminum and comes with Multi-Point Fuel Injection, Dual Overhead Camshafts and Dual Continuously Variable Valve Timing to maximize fuel economy and horsepower. The UY⁺ diesel is fitted with the latest Variable Geometry Turbocharger to force extra air into the combustion chamber for higher torque output. Plus, CRETA GRAND offers you a choice of 7-speed transmissions to suit your driving style.

Smartstream GY ⁺ gasoline	(7-Speed MT / AT)	U1.0 Y ⁺ VGT diesel	(7-Speed MT / AT)
Maximum Power ps/1,000 rpm	19.0	Maximum Power ps/1,000 rpm	20.0
Maximum Torque kg · m/1,000 rpm		Maximum Torque kg · m/1,000 rpm	
		11.0	

Always on guard for you.

Though the road ahead is filled with uncertainties, CRETA GRAND's advanced safety systems provide you with complete peace of mind. Special crush zones serve as your first line of defense. Made of ultra-high tensile strength steel and embedded in critical areas, these structures are designed to safely absorb impact forces and protect cabin occupants in the event of a collision.

The Blind Spot View Monitor always looks over your shoulder and will alert you if you try to make an unsafe lane change.

Tyre Pressure Monitor System (TPMS)

TPMS helps you achieve optimal fuel economy and extends tire life by alerting you if the tires require attention.

Hillstart Assist Control

When starting from a stop on a hill, HAC prevents the unintentional rollback that can occur after the brake pedal is released.

7-airbag system (Driver, Passenger, Side & Curtain)

CRETA GRAND offers 7 airbags: the driver and front passenger get a pair of front airbags plus a pair of side airbags to protect the thorax and pelvic areas while left and right curtain airbags offer head protection for all cabin occupants.

Features

Front distance warning

Front fog lamps (LED MFR)

14 Alloy wheels

18 Alloy wheels

LED rear combination lamp

Front-row AC vents with 3-speed fan control
