

# GRAND i10

-4Door

# It's your move.

The Grand i10 sedan is ready for your next move with a jazzy, new, look that will strike up conversations wherever your t. Its zippy but economic 1.2-liter Kappa power plant will definitely put pleasure back into driving. And to help you stay in touch while on the go, Grand i10 offers advanced connectivity features such as the 7-inch HD touchscreen and Type-C USB port.

ravels take you.

# Design

Grand i10 steps up your game with a punchy, racier new look that will have heads turning. Front and rear lighting groups add a light touch of high-tech while the bigger, bolder grille gets the sporty. And for the crowning touch, alloy wheels feature a radical new design.

Projection headlamps  
LED Daytime Running Lights (DRL)

15in Diamond-cut alloy wheels

Stylish Z-shaped LED tail lamps

## Space

Step into the cabin to discover how pleasantly spacious Grand i10 feels. The two-tone color scheme creates a bright and cheerful ambiance, while the cargo area provides ample storage space.

# Convenience

From the 8-in HD multimedia touchscreen to the LCD multi-info center on the gauge cluster, Grand i10 provides a wide array of well-designed convenience features: Everything about them is perfectly intuitive, and they are a pleasure to use the—hallmarks of good design.

Speedometer with multi-info display

The 2.8-in LCD nestled between the speedometer and tachometer shows the basics: fuel, coolant temperature, odometer, and gear-shift position indicator, while the more capable 4.0-in LCD serves up distance-to-empty, outside temperature, average economy, and more.

Fast USB charger (Type C)

In addition to the legacy 2-pin Type-A USB port, Grand i10 gives you the latest 4-pin Type-C USB port for improved connectivity. That means considerably faster recharging times for your mobile devices and quicker transfer of data.

A multimedia display

Enjoy on-the-go connectivity with the 8-in high-definition touchscreen and its easy-to-navigate icons. Pairing your Apple or Android device is easy peasy, so you can enjoy hands-free conversations and access your favorite apps en route.

# Performance

The 1.2-liter Kappa engine is a zippy but economic performer thanks to its weight-saving all-aluminum construction and advanced features such as Continuously Variable Valve Timing and tuned air intake port.

Kappa 1.2 MPI Gasoline

# Safety

Count on Grand i10 to deliver multiple levels of protection, starting with its ultra-high tensile strength steel body. Other advanced features include depowered airbags, and Anti-Locking Brakes with Electronic Stability Control, (ECS), and Hill-start Assist Control.

**Tire Pressure Monitor System (TPMS)**

To extend the life of your tires and achieve optimal fuel economy, TPMS will alert you when the pressure in a tire falls below the recommended minimum.

**Hill-start Assist Control (HAC)**

Starting from a stop on a hill can be an anxious moment due to the fear of rolling back, but HAC ends driver anxiety by automatically holding the brakes until you press on the accelerator pedal.

**Rear Parking Assist System**

When maneuvering into a parking spot, bumper-mounted sensors will provide you with greater peace of mind by alerting you with a series of beeps to let you know when you're getting too close.

**Rear view camera with guidelines**

When backing up, the dynamic guidelines help you avoid unintended bumps, nicks, and scratches and lower your stress level when parking.

**Dual airbag system**

Airbag deployment releases tremendous energy, but Grand i10's airbags are the newest depowered type, so they're gentler but just as effective in reducing the risk of injury.

Features

15 Steel wheel cover

10 Alloy wheels
